John Keats Primary School,
391 Rotherhithe New Road,
London,
SE16 3FN

We pride ourselves on providing a high standard of education alongside outstanding pastoral care that focuses on pupils' mental health and well-being.

A personalised experience for every child that empowers them to be inquisitive, creative and passionate about learning.

Our new facilities and resources provide a stimulating and vibrant learning environment.

We continuously review and implement an inspiring, innovative curriculum taught by enthusiastic, experienced staff members who hold pupils at the heart of everything they do.

A broad enrichment programme complements the curriculum and encourages each individual to pursue personal interests and aspirations.

Resilient, lifelong thinkers and learners are developed; pupils are prepared for life beyond John Keats.

We incorporate a range of specialisms, unique to our school yet the norm in our strive for excellence. We have high quality specialist teachers in Art, Poetry, Spanish, PE and Music.
