Dear Parents and Carers,

We are very excited to let you know that, as of this month, John Keats has twinned with a school in rural Pakistan! DHL Community School Ghareeba is a small school which currently enrolls 176 students, aged between 3 and 16. It is located in the Rawalpindi area of North Pakistan. The two schools have been twinned through the UK based charity 'Twins'.

This is a fantastic opportunity, which we hope will enable us to create a shared community between the two schools, with children learning about the lives and experiences of their counterparts 6,000 miles away! We have lots of brilliant ideas for how this will work and can't wait to share them with you.

As well as the amazing opportunity for children and staff to communicate with and learn from each other, the aim of this partnership will be for John Keats to provide DHL Community School Ghareeba with material assistance to improve its facilities and equipment. We hope to begin a series of exciting fundraising activities soon. Please contact us if you have any thoughts or ideas about this.

Yours sincerely,
