A WELCOME FROM YOUR NEW BREAKFAST CLUB AND ASC CLUB PROVIDER

I would like to take this opportunity to introduce Coaching 4 Community Ltd to you. From September, we will become the new providers of Breakfast Club and After School Club.

We are passionate about providing a safe and fun environment for children and we already have lots of fantastic new ideas that we will implement in September. Although we started off just as Football Coaching company we now provide a host of different clubs / activities across a range of schools and children's providers in South East London.

Breakfast and After School activities will consist of some of the following: Arts & Crafts, homework station, board games, puzzles, quiz, multi sports, football, hockey, dodgeball, basketball, reading corner, connect four and other fun activities.

As a company, we will teach your children our company motto: WE DEVELOP TOGETHER.

Now the boring but very important part. Here is the essential information you will need to secure a place. To book your son or daughter into our breakfast or after school club you will need to click on the [link](#) and build a personal profile, this should take no longer than 5 minutes.
